FINANCIAL ASSISTANCE

We believe every child deserves the opportunity to participate in sports. Families needing financial assistance to cover registration fees should avail themselves of the following programs:

Kidsport is a well-established program and one that seems to work very well. More information can be found at: <http://kidsportvictoria.ca>

Athletics for Kids is a relatively new program which provides assistance to low-income families: <http://www.a4k.ca>

Canadian Tire Jumpstart program. Details can be found at: <http://jumpstart.canadiantire.ca/en/>

These are all programs offered outside of the Spartans Football Association, so the responsibility is on parents themselves to pursue these alternate funding avenues directly.
