

TILLICUM COMMUNITY SCHOOL NEWS – Feb 2019

Happy New Year! Our before, lunch and after-school programming is well underway for the 2019 winter term. It's exciting to watch the skills and friendships our students develop here at Tillicum – not to mention the fun they have while learning and growing!

There will be 3 more after-school opportunities starting for students in February: A second Lego Club with Burnside/Gorge which is already full from our waitlist, Introduction to Pastels for Gr1/2 students, also full from the Printmaking waitlist, and a second "Pet Care" with the BCSPCA.

Please note, if your child's registration has been accepted, you will receive a paper, email, or telephone confirmation prior to the start of any of the before or after-school programs. Registrations are received on a first-come first-served basis, but priority may be given to students who haven't already had an opportunity to participate. Filling out a registration form is the first step in the registration process. **All before and after school programming is by registration only and is not offered on a drop-in basis.** If your child would like to try a PISE, please talk to Ms Nadeau or Ms Dennis so we can accommodate a visit.

(The Burnside-Gorge lunch time programs are offered on a drop-in, by grade basis)
