Dear Tillicum Families,

It has been an honour to take the reins of the community programming that the late Mrs. Burley worked to build at Tillicum School during her tenure here. This year has been one of challenge, but what a reward to see the joy, learning, growth, confidence and community connection in our students! It is affirming that so many are able to take advantage of the wonderful opportunities available for them right here, in the school they know, with people they have a rapport with and in their own neighbourhood. Thank you to Mr. Duyndam, Ms. Ottenbreit, staff, and families for their continued support of this vital part of the Tillicum School community.

Morning toast will continue to be served until the last day of school but all other before, lunch-time and after school programming **will end on June 14th**.

I wish you all a safe and rejuvenating summer!

Dianne Dennis, Community Program Manager
