

Tillicum Elementary School Nutritional Snack Program

“We believe a good snack provides students with the nutritional energy to excel at learning”.

September 2019

If you wish your child to participate in the School Nutritional Snack Program for the month of **September** **this form must be signed and returned to the school office by Friday, September 06, 2019**

**In order for this program to succeed, we ask you to contribute
Your Fair Share!**

CommunityLINK Programs help fund the School Nutritional Snack Program, but we need your contributions to help keep the program available for all students at your school.

Your child's lunch costs the School District **\$4.20 per day**,
and includes 1/3 of their daily Recommended Nutrient Intake (RNI).

Families who use the Program because it is easier than making snack at home are asked to pay the full amount requested each month.

All other families are asked to contribute their Fair Share.

Some suggested payment options might be:

- 1) Pay full cost for the first child and half for each additional child.
- 2) Pay \$25 dollars for the first child and \$10.00 for each additional child.
- 3) Whatever contribution your family can afford, no matter how small.
- 4) If you are unable to contribute this month, your child or children are still welcome to register for the program.

No child should go hungry at snack and each family should support the program with whatever amount is possible.

Thank you for contributing Your Fair Share!

Please note

The School Nutritional Snack Program has gone beverage free, please provide your child with a water bottle. We cannot adjust the menu for children who do not like an item. Please review the monthly menu with your child and if your child cannot eat or does not like a certain item, please send a substitution that day and the School Nutritional Snack Program will provide the rest of the meal.
