FOOD for FUN - October 4th

Don't forget to return your child's order **by Monday, September 30th** for 'Food for Fun'!

= \$1500

Every year in June, our **WHOLE** school (around 450 students and staff) travel by bus for a fun day at Gyro Beach in Cadboro Bay.

The PAC covers the \$1500 cost for the buses and fundraises all year to make this awesome excursion a reality. Thank you in advance for participating and assisting with PAC fundraisers as they make it possible for the PAC to fund special events like this one!

THANK YOU!

A huge thank you to all the volunteers who gave their time to help make the Meet the Teacher & Pizza Night a success! The response to the event was outstanding so our sincere apologies to the families and staff who were turned away at the very end when we ran out of pizza. Thank you for being so understanding! Next year we will increase our pizza order even more and will look at adding some gluten free options so all families and staff can be accommodated. Special thanks to our school custodian Gene for his extra efforts!

COMFORT KITS

Comfort Kits are a little piece of home and family that will bring comfort to your child in the event of a major emergency. This month you will be receiving a ziplock bag with your child's name on it along with instructions for what to include in that bag which will then be returned to your child's teacher. Please remember to complete your child's kit and return them to their classroom as soon as you can. Comfort kits are a PAC initiative, organized fully by volunteers.
