

TILlicum ELEMENTARY PAC

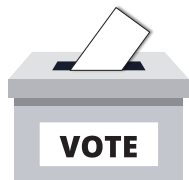

UPDATE FROM THE ROAD SAFETY WORKING GROUP

Our group has been hard at work with Saanich's Engineering team and are pleased to report that Tillicum will be seeing improvements with sidewalk safety, signage and parking in the new school year. Work is expected to start as soon as June so we will keep you updated. In September, we expect to see more clarity and enforcement around our parking issues and look forward to the positive changes that are currently in the works. Some areas frequently used for parking are not safe or permitted for parking and enforcement will be coming next school year so now would be a good time to check the area where you are currently parking to familiarize yourself with any parking signs as they may be different come September. We are also very excited about the upcoming Bike to School week and look forward to seeing riders of all ages and levels participating in this fun and active program. Drivers, please be extra vigilant and cautious during this week (May 31 to June 4) as we expect to have many first time cyclists sharing the road with your vehicles. Please do not block sidewalks and ensure you allow ample space for all of our cyclists as we want this program to be a fun, positive and most importantly, safe experience for everyone at Tillicum. Thank you to everyone for doing your part!

THANK You

Thank you to all of the families that have supported the PAC fundraisers this year. Our fundraisers are critically important to support and enhance programming for our kids and we are grateful to have such an awesome school community behind us!

PAC EXECUTIVE ELECTIONS FOR NEXT YEAR

Elections for the 2021/2022 PAC Executive will take place at the June 9th PAC meeting (6:30 pm start via zoom).
