***Hello Tillicum students, families, and staff!***

We hope this newsletter finds you in good health and spirits, and we are delighted to say that we are excited and ready for another successful school year at **Tillicum**! It has been our intent to have all students at our school feel like they belong here – it is their place! Our standards of behaviour and respect have been set high, all in an effort to create a positive, safe environment for teaching and learning.

This year's staff at **Tillicum** is committed to working with each and every student in our care. Of course, we strive to create a professional relationship with parents, as this is integral to the success of our work with our students.

Two very important school documents will be sent home with students during the next week. Please take the time to read, update, sign and return these to your child's classroom teacher as soon as possible. The **PINK** Student Information Verification Form is extremely important as it is vital that we have current contact information for you and your child on file. Please take extra care to review the verification form. The Student Emergency Release Form is also important to ensure safe release of your children during an emergency.

## **Parent Connect**

Each year, consent is required for use of digital/online tools used in classrooms for data privacy reasons, and for any field trips students may take. Our school district has created a way to provide consent using an online platform called **Parent Connect**.

If you have not already signed up for **Parent Connect** please go to [parentconnect.sd61.bc.ca](https://parentconnect.sd61.bc.ca) and click, "Create an Account". The information used to create an account and verify your information comes directly from the contact information we have on file. If the information is outdated, you will need to contact the office to ensure all data is up-to-date.

After signing up, you will see on the homepage that there may be digital/online tools for you to consider granting consent or denying consent after reading the information regarding student data privacy. Anytime a new item is added by your child's teacher(s) you will be sent a notification to the email with which you signed up. If you deny consent for an item, please speak with your child's teacher for accommodations when the digital/online tool is being used or regarding any field trips.

## Safety Around Tillicum

Our school enrolls approximately 415 students and we have over 60 staff members. We are encouraging alternative forms of transportation to and from school, hoping to avoid congestion problems and excessive traffic.

**FOR SAFETY - PLEASE DO NOT DROP YOUR CHILDREN OFF IN THE STAFF PARKING LOT.** The main entrance to the school from the parking lot on Albina Street is for staff and adult visitors to the school only. We ask that you practice having students come and go through the Orillia entrance or any of the smaller entrances in the fence around the perimeter of the school.

We also ask that you respect our neighbours by **NOT parking in or blocking their driveways.**

There is a designated bus drop-off zone along Orillia Street. This area must be kept clear for the school bus. You are reminded to observe the no parking signs in the bus zone for student safety. Please plan ahead, and give yourself enough time to park and walk a block or two if needed!

## New Elementary School Schedule for 2022-2023

The School District will be moving to a common schedule across all elementary schools for the 2022-2023 school year. Based on survey results from families, ALL ELEMENTARY SCHOOLS in SD61 will start at **8:45am** and end at **2:37pm** (lunch recess from 11:50am-12:35pm).

### Beginning September 2022

<b>START</b>	<b>8:45 AM</b>
Recess	10:15 AM – 10:30 AM
Lunch Recess	11:50 AM – 12:35 PM
<b>END</b>	<b>2:37 PM</b>

## PACK IT IN - PACK IT OUT

**Tillicum** is a “pack it in - pack it out” school. This means that whatever comes to school for packaging snacks and lunches, goes home with the student to be recycled. We encourage students to bring recyclable containers for their food which saves plastic wrap and foil from going into the landfill and the garbage. The District of Saanich has a great recycling and organics program, so all banana peels, apple cores, etc. should also be taken home for home composting or for the green bin. This initiative encourages recycling and thoughtful use of what goes in garbage cans. Thank you for your assistance with this initiative.

## Nutritional Snack Program

This program begins the second week of school. Forms can be given to your child’s teacher. Each month a new permission form and menu will be available, OR you can sign up for the

whole year. Additional permission forms are available at the office. Information is also available on the school website.

## Music News

We are always delighted to see so many *Tillicum* students in our Sr. Choir, Jr. Choir, and music programs. Our music teacher, **Mr. Byron Lienard**, is looking forward to enthusiastic students and their commitment to music. Senior Choir will start shortly and will be held during lunch recess. All grade 3-5 students who love to sing are welcome to be part of the Sr. Choir. All grade 1-2 students who love to sing are welcome to join our Jr. Choir. We have a number of special performances planned this year. Our music program is one of the pillars of *Tillicum* Community School, and we are proud of all of our music students!

## Athletics & Healthy Living

Grade 4/5 soccer players, who are interested in joining our school team, listen for announcements in the second week regarding soccer practice with Ms. Easton. Practices will be happening at lunch recess.

Fall X-COUNTRY RUNNING for grades 3, 4, and 5 students will be starting soon. Please listen to announcements about before school practices! Races are held on Mondays after school. We will need volunteer drivers - Please fill out your driver forms on the Parent Connect App ([please click here](#)).

## Individual School Photos

Similar to last year, photos have moved from a prepay system to a proof system. This means that families can order pictures after they see them. Families will have the option to order online (where there are many more background choices) or to order in the traditional method, using the form that comes home with the proofs. Proofs will arrive at school 2-3 weeks after picture day, to go home with students, and then families may order. Pictures are then sent to the school for distribution. This year, individual photos will be taken on October 12.

## Before & After School Care

We have an agreement with Burnside Gorge Community Association to provide Before & After School Care. Before School Care runs 7:30-8:45AM and After School Care runs 2:37-5:30PM. If you are interested, please reach out to Burnside Gorge (<https://burnsidegorge.ca/out-of-school-care/>) or call **250-388-5251** to reserve your spot. Burnside Gorge is also planning to open a daycare for 3 to 5 year-olds. Please contact Burnside Gorge to be placed on their "intentions" list. Our school will continue to offer programming through our Community School and a letter from our Program Coordinator, Dianne Dennis, will come out in September.

## 1000 x 5

1000 Books by Age Five- Donate books to increase early literacy!

Do you know that reading books to babies and preschoolers is the most significant indicator of early school success? Cuddling and reading to your little ones shows that you value reading,

builds comfort, enjoyment and early skills that last a lifetime. As well as enjoying a new story with your child, please make an extra effort to drop off gently used picture books for babies and preschoolers in the brown drop box at the school office door. All children benefit from being read to – help make that a reality for more.

## Crossing Guards

Crossing Guards are returning to the intersections of Burnside@Seaton AND Tillicum@Maddock. Our District has provided additional funds allowing me to schedule our supervision staff to assist students and families crossing before and after school. These two intersections will be staffed for 45 minutes before school and 45 minutes after school beginning next week!

## Meet the Teacher Night

Tuesday, September 20<sup>th</sup>, is our annual Meet the Teacher Night beginning at 4 PM. Staff will have their classrooms open from 4-5 PM and food will be available on the Orillia Street blacktop from 4-6 PM. This is a great opportunity to welcome new families to our school, see your child's classroom and talk with their teacher in an informal setting. Payment is cash only. More information regarding food and prices will be sent home prior to the event.

It is definitely our privilege to work with such a tremendous team of educators, students and parents again this year at *Tillicum* and we all look forward to a terrific year of learning. Please remember that our very dedicated staff are always open to discussing your child's learning.

Our office door is also open to discuss any concerns or questions you may have about our school or the programs/services we offer. Thank you for your continued support and involvement in your child's education.
