

Tillicum Elementary Nutritional Snack Program

February 2024

If you wish your child to participate in the Nutritional Snack Program for the month of February, **this form must be signed and returned to the school office by Friday, January 26, 2024, or payment made to School CashOnline**

Thank you for contributing Your Fair Share!

We believe no child should go hungry at school - CommunityLINK Programs help fund the Nutritional Snack Program, but we need your contributions to help keep the program available for all students at our school. Your child's snack costs Tillicum **\$4.00 per day**, and includes 1/3 of their daily Recommended Nutrient Intake (RNI). Families who use the Program are asked to pay the full amount each month.

If the full amount is more than can be afforded, families **MUST CONTACT** the school to make arrangements for their fair share.

The Nutritional Snack Program will supply a grain product, a protein and fruits or vegetables each day, but it does not supply a beverage. We are not able to adjust the menu for children with specific dietary concerns or who do not like an item.

We are now able to accept School Cash online payments! Please go to <https://tillicum.sd61.bc.ca/> and follow the link on the left hand side to pay or register.
