Something to think about:

PAC Executive Roles will be coming available for the 2025/2026 school year. The roles of **Chair** and **Vice Chair** (or Co-Chairs if preferred) and the role of **Secretary** will be opening up. The **election** takes place at the June PAC meeting but important things like the **budget** are approved at the May meeting - if you are considering taking on an executive role it's important to attend PAC meetings so your input can be heard.
