Indigenous Drum-Making Workshop

For Parents & Guardians

Through recent fundraising efforts, the Tillicum PAC has funded the creation of 24 Indigenous drums for our school. We invite parents and guardians to take part in a hands-on drum-making workshop to help complete a full classroom set.

This experience supports our ongoing learning and respect for Indigenous culture and education. The completed drums will be used in Tillicum's Indigenous education curriculum.

Guided by:
Kolette Cristante
Indigenous Education Department
