SEPTEMBER NEWS

New! Online Program Applications!

Starting this term, all program applications are going paperless, and will be submitted ONLINE via a Google form! Here are the details:

- September 22 and 23, students will receive one paper that outlines **ALL** the programs for their grade. This is for information purposes only – it is NOT an application.
- On September 24, families will receive an email for each child, with a grade-specific application link for ALL programs in that grade.
- Fill in the online form, selecting ANY/ALL programs your child is interested in applying to.
- Fill in ONE application per each child
- You will be required to read through and agree to the Behavioural Agreement in Section 2.
- Click submit by October 1!
- Thank you for your patience while we all adjust to this new system.

We look forward to seeing you!
